Apartment in Benidorm - New build

Welcome to Apartamentos Gabriella: the new icon of the Benidorm skyline, the most exclusive place in the city.

This majestic 158-meter-tall, 44-storey skyscraper has a unique shape that evokes two sails joined by a mast. Next to it, some dunes inspired by the Mediterranean will be recreated that will dialogue with the landscape of Playa de Poniente.

Of the 100 projected apartments, a part is available for sale so that you can be one of the privileged few to have your home on the first line forever. The other part will be "The Hotel": an oasis where you can stay and enjoy extraordinary services in a privileged setting facing the sea.

Can you imagine living with the services of a hotel without giving up the privacy and personality of your own home? The owners of the Gabriella Apartments will have an exclusive hall, which guarantees privacy and tranquility. In addition, they will enjoy all the hotel services and have access to the private pool for owners.

It has a wide variety of facilities to offer you the most incredible experiences:

- sauna
- Spa
- Lobby
- Gym
- Yoga and Pilates area
- Coworking spaces
- Gardens
- Sky gardens
- Tennis and paddle court
- Social Club
- Restaurant
- Swimming pools

Get ready to live the golden hour with us. We will create an auditorium and a Beach Club with three different areas of grass, sand and wood. This space will have direct access from the beach and will allow you to enjoy the evening light and the Mediterranean lifestyle.
