Villa in Calpe - New build

Villa Ziva, a beautiful modern villa under construction, located at the end of a cul-de-sac in the quiet urbanisation Buenavista, Calpe.

The luxury villa offers on the ground floor an open plan living, dining and kitchen area with direct access to the spacious terrace and swimming pool. The ultimate place to enjoy the Mediterranean summer evenings and make new memories with family and friends. Also on the ground floor is the first bedroom with walk-in wardrobe and ensuite bathroom.

Upstairs we find the remaining bedrooms and bathrooms. All bedrooms have access to a terrace, from where there are beautiful views of the Olta Mountains.

Depending on what stage the construction is in, certain wishes of the new owner can still be implemented within the current plans. Completion of the property is scheduled for February 2025.
