Villa in Alcalalí - New build

Detached villa, located in a quiet residential complex with excellent connections to the main municipalities of the Marina Alta.

The house is all on one level and is divided into two parts, namely living and sleeping area.

The living area consists of a living/dining room and an open-plan, modular kitchen with top quality ceramic finishes. The kitchen is connected to the laundry room and to the terrace. The living room has large windows to fully enjoy the views and they give access to the terrace and the pool.

On the other side of the house we find the sleeping area with 3 double bedrooms and 2 bathrooms, one of which is en-suite and a guest toilet.

The plot will be completely fenced with access through a motorized gate and a pedestrian door. An easy-to-maintain garden will be created around the house.
